Re: December 28 fundraiser at Copherbox II.

On Sunday, December 28, our organizations will host a reception to help fund our programs for the coming year. The affair will be held from 3 to 9PM, at the Copherbox II, 11731 S. Halsted Street. Tickets are \$5. Live entertainment will be provided by members of Chicago Artists.

During the past year FSAM and Chicago Artists have been involved in a number of activities which raised awareness about the fight for justice in South Africa, and our efforts have been instrumental in forcing our government to begin to alter its relationship with the apartheid regime. However, the situation faced by Blacks in South Africa has not changed significantly, although it has faded from news headlines. Black men, women and children are still being murdered, imprisoned without charge and uprooted, and they still have no control of their individual or national destiny.

We need your help now to assure our ability to continue to keep our community informed and to end our country's support for the Botha government. Please take time during this holiday season to TAKE A FREEDOM RIDE ON THE FRIENDSHIP TRAIN with the Free South Africa Movement-Chicago and Chicago Artists for a Free South Africa.
