I say sit down Duncan
Sit down Duncan
Sit down on de door til I come
If I work for 5 cent
Means I give you 2 cent
And the balance save to pay me house rent

I plant a piece of plant cane right behind de door
I plant a piece of plant cane right behind de door
If I plant a piece of plant cane right behind me door
And de heat from mary's nose hole burn um out clean

She back in de yard wid dusty dusty dust
back in de yard wid dusty dusty dust
back in de yard wid dusty dusty dust
Auntie Sarah come until the water gone

Say I plant a piece of plant cane right behind de door
How I come to find it diggin by the door
If I plant a piece of plant cane right behind de door
And de heat from mary's nose hole burn em out clean

Say back in de yard wid dusty dusty dust
Back in de yard wid dusty dusty dust
If I plant a piece of plant cane right behind de door
And de heat from mary's nose hole burn em out clean.

(Jamesie says "she nose hole so strong")
