If I work for 5 cent mean I give you 2 cent

And the rest is save to pay me house rent

Hold him abby girl hold abby girl

Hold him on de door til I come

If I work for 5 cent means I give you 2 cent

And de balance sing derby

Sit down Duncan

Sit down Duncan

Sit down on de door til I come

If I work for 5 cent mean I give you 2 cent

And the balance save to pay me house rent

Me don want no carbon man

Me don want no carbon man

Me don want no carbon man by me door

And if you work for 5 cent mean I give you 2 cent

And the balance save to pay me house rent
